PRESIDENT'S REPORT

Well, 2022 will be remembered as a lot of hard work in so many ways. We worked hard in the preseason to get players registered after two COVID interrupted seasons we achieved this with fielding 6 senior teams and junior teams in each age group.

And then the rain kept coming which meant there was no continuity to the season we were lucky that because of the hard work by our club members preseason our ground was in great condition to get through the wet weather, but this was also due to a lot of help from our players on game days when Boomers was very wet and needed a lot of work to make the ground playable this happened on numerous weekends - thank you to everyone who helped out it was a great effort.

On the field we achieved a lot making 4 grand finals - 3rd's, 4th's, senior league and little league unfortunately we didn't win any but it's better than not being there we just need to set our goals for next year. We all know about our disappointment of 2nd grade missing out because of a by law breach which we all have been hurting about, but I hope we can all start looking forward to next year. And then we had the disappointment of not being able to host grand finals because of the rain after keeping on top of it for most of the season - that was a tough week, thanks to the 10 people who turned up on that Sunday morning at 6am to try and make it happen.

Thanks to everyone who made the season happen and remember the good things that we achieved. This year we farewelled the Kearney family at the Beauford Hotel after 38 years of support and friendship. We have had great sponsors this year with special thanks to Mayfield West Bowling Club for their continued support and for our monthly raffle which we all need to support. And our best achievement was winning the Junior Club Championship for the first time in many years thanks to players, parents and coaches. And remember we will be celebrating our 70th year next year.

Well that enough from me as most of you know it's time for me to move on from being president, will still be around thanks to everyone for their support.

Cheers

John Mossop

Zooka/Teeball Report

Teeball and Zooka is the start where the kids develop and learn the skills for baseball.

This season we had 6 registered, however only 5 would make regular appearances.

With weather being the major deterrent, kids brave the winter weather and gave the best under the circumstances.

Our players included Darcy and Hugo who both played Zooka.

And Rocco, Harvey and Nixon were our Teeball contingent.

I believe the kids enjoyed most weeks, with only a few tantrums aided with the occasional bribe to get through a Sunday morning.

Thanks to all the parents for making the effort and bringing their kids each week. They all brightened my day and I hope I did for them.

I hope they enjoyed Teeball / Zooka to come around next season.

Have a safe Xmas and New Year.

Little League Report

Little League is the next step from Zooka. This phase of the game introduces the kids to a live pitch scenario which is brought on by an opposing player, by doing this, it not only gets the kids get used to seeing the ball coming from the hand of the pitcher, but also advances the game mechanics to also allow for a pitcher and catcher. Little League is the first competitive level of baseball as runs and outs are scored properly.

This was my first year of coaching Little League and after a few years of Zooka I was keen to advance a group of kids into Greg and Fiona's team. We only had a few from last year however there was an influx of many new faces keen to learn the game. Having kids with many talent levels ranging from little to no experience in the game to others that were ready for a junior league level I tried to run training at a high energy level to keep the younger ones engaged however made the drills a little more tricky to keep the more talented ones challenged.

Moving on from a Zooka approach where multiple teams are joined together, we only had a few occasions where this occurred. It was good to have nearly a full team each week and create that team mentality even though we had limited games this year due to the weather. It was a pleasure watching them grow to not only enjoy the game but bond with one another. There were often chants and rhymes heard coming from our bench in support of the player in the batter's box.

The enthusiasm and competitive edge grew in many players as the year progressed and I was pleased to see many of our Boomers kids selected for Newcastle rep honours.

At start of every game I always had many hands go up for the starting pitcher role and although there was a point in the year when I was getting worried about the catching position, Peter and Wilson answered the call on multiple occasions.

Little League Report

A few standouts,

- Zac taking a great catch being hit straight back at him whilst pitching
- Lacie having two great safe hits in one game
- Harrison making a great tag play at 3rd during the Grand Final

The Grand Final came, and I couldn't be more proud of the kids. The effort they put in was pleasing whilst not forgetting that team environment. Playing Belmont was going to be tricky and there were many nervous kids facing their pitching. Despite this, there were many efforts to put the ball in the play and confidence was high as the highlight for the kids was being able to steal bases. Charlie Enright loved this as he is definitely close to the fastest junior we have.

The game doesn't go ahead each week without the help from the parents whether it be on gameday or just retrieving balls at training. I was fortunate enough to have a really positive parent base this year to help out with such things.

Any time I couldn't complete my coaching responsibilities there was always Greg and Fiona to help out.

Thank you to everyone that helped out this year, I believe we have great bunch of kids that I hope stays together for a couple of seasons as it was a pleasure not only coaching them but getting to know them.

I have really enjoyed this year as I've watched the kids progress and I look forward to next season.

With many new players and so much weather disruption I am very pleased with the progress shown by the junior league side this year.

Senior League Report

What a season our Senior League team had this year. We sat down as a team and set some goals. To train hard, have fun and win the Grand Final. I am so proud of the team and the effort they put in every week to make it to the Grand Final. Unfortunately, we just feel short at the final hurdle.

Despite the weather we had some really good games of baseball and finished the year undefeated in the regular season and claiming the minor premierships.

There were many great performances from our team. Great fielding, great hitting and great pitching.

I think everyone had moments during the year but the way you all kept persevering and pushing through everything that was thrown at you is a credit to you all.

A big thank you to all for supporting the White Sox team through the season. At times this was difficult but the effort you all put in was a great representation of the Boomerangs spirit.

We couldn't have got on the field without the help of Shane Stephens as my assistant coach so thank you Shane.

Thank you to Megan Gleeson for being our scorer this year. This is a job that few people are willing to take on, but games can't be played without so a big thanks from me.

I hope everyone enjoyed the year, learnt some new skills and I hope to see everyone back next year.

6th Grade Report

We had (14) players take the field to play 6th Grade Minor League baseball this season. The season was due to commence on Saturday, 9/4/2022, but due to washouts (10 in total for the season) we did not get to play our first game until Saturday, 7/5/2022 when we defeated Belmont 16 runs to 8 at Boomerang Field. Belmont were to go on to finish second on the competition ladder. In a (9) team Competition we finished in 6th position with (4) wins, (3) losses from the (7) games we managed to play. We strung together some great efforts during the season and became competitive once we reduced the number of errors which were a feature of most games.

Our standout batters were:

- Brett Crosdale (.800) For which he not only deservedly won our 6th Grade Batting Average, but also the Newcastle Baseball Association 6th Grade Batting Average.
- Michael Redpath (.667),
- Mark Thomas (.500),
- Fiona Hinton-Rodgers (.400).

Pitching duties were carried out primarily by John Mossop with great assistance from Robert Redpath, Brett Crosdale, Mark Thomas, Michael Redpath, and Noah Rodgers. Our pitchers performed well throwing lots of strikes but were let down at times by errors and a lack of concentration and awareness in the field. Four catchers were used during the season with Bernie Howard, Michael Redpath, Sharon Moncaster, and Simon Thibault all capably performing in that position.

Our season ended on Sunday, 28/8/2022 with a convincing 16 runs to 8 win over Phoenix at Boomerang Field. The highlight of the season was a 19 runs to 8 win over Nelson Bay at Boomerang Field on Sunday, 7/8/2022 after they had given us a 17 runs to 1 caning at Brandon Park, Seaham on Sunday, 29/5/2022.

6th Grade Report

Overall, it was an enjoyable season with players blending well, encouraging teammates and generally enjoying one-another's company. The atmosphere was always friendly before, during and after games. Would love to do it all again next season. Congratulations go to Mark Thomas who was voted Boomerangs Baseball Club 6th Grade Player's Player for season 2022.

Many thanks and appreciation to:

- John Mossop for his assistance managing and coaching throughout the season and Wendy Francis, our travelling supporter/crowd.
- Virginia Petherbridge for her much needed and highly appreciated scoring duties.
- Our very hard-working Executive and Committee which must again be congratulated on a job well done.
- The individuals who put in the time and effort necessary to make Boomerang Field a premier home ground and a pleasure to play on. The best field we played on.

5th Grade Report

What can I say about 5th grade this season? We led the league in runs against. We were last in the league for runs scored. We didn't win a game all season. Even the weather beat us on multiple occasions.

Through all the defeats the team still managed to get out on the park with a smile and have some fun. There was never a shortage of people stepping up to the rubber to have a pitch. A big thanks to Jacob and Chris for being our regular pitchers. Thanks to Dan for pitching, catching and running in the out field.

Our juniors who stepped in to help out and make us actually look semi pro – Jakob, Hamish and Nick a job well done. I doubt we will see any of you in 5th grade again.

A massive hug for Virginia Petherbridge for being our scorer. I am sure she will never have a coach make so many changes a game ever again.

After everything I think we have put in a really solid audition for 6th grade next year. Lots of fun and laughs. Hope to see you all back next year.

4th Grade Report

A fresh look 4th Grade entered the season with mixed expectations after the previous seasons were either cancelled or incomplete. A mixture of youth, a few Senior Leaguers, a guy called BJ and experienced bodies, with the goal of playing in the last game of the season aka Grand Final. It was a solid season that saw us finish with 7 wins, 4 losses from 11 games, placing us in 2nd position at the end of the shortened wet season. There were five opponents who included Belmont, Maitland, Phoenix, Toronto and Whitesox.

We started the season later than expected due to a wet season like no other. Our first game was round 3 (30/04) against Toronto, which funnily enough barely finished before the rain dropped again. From there we played an on and off schedule with an extra few games added, an odd season and thankfully we got to play finals.

On a positive note, highlights included a combined No Hitter v's Toronto, In the park Homerun and a great semi-final win.

Plenty of fun, laughs and beverages, thanks to all. The line-up included Ted Chung, Spencer Cornish, Alex Gallagher, Shaun Galloway, Colin Metcalfe, Brandon Morris, Craig Pearson, Jackson Picot, Connor Riley, Jason Rowan, Lachlan Sinclair, Nick Sinclair, James Stackman, Seven Stephens, and me. A luxury to have so many players, I look forward to seeing all the faces again for another crack.

I would like to thank Joshua Voigt for his coaching assistance and training throughout the season. I would also like to thank Kerrie Metcalfe, Thelma Williams, Joshua, and my wife Tanya for scoring the season. Thanks also goes to the Senior League parents who brought their kids after playing earlier in the day and being available at short notice. Thanks to 5th graders, Brett Crosdale and Dan Gleeson for being on short notice.

I would like to acknowledge our canteen / grounds person / treasurer Ann Voigt for the best baseball ground in Newcastle, Boomerang Field.

To our President and fellow Board Members, thank you for your behind-the-scenes work.

I look forward to seeing you all next season for another crack in 2023.

3rd Grade Report

What a year for our 3rd grade! As per normal 3rd grade is a bit of a unusual mix of players and this year was no different. The team was made up of players which consisted of a big range of age/experience. We had players who have played many seasons in the majors a number of years ago, players who had just joined our club, as well as a few of the younger boys playing in their first full season in senior baseball.

With such a mix of players it was very exciting to see how quickly they were able to play well together as a team. Every week it seemed to be a different player who would step up and be a key player. The pitching was pretty evenly shared between 4 players: Kevin O'Brien, Lachlan Sinclair, Sam Parish, and Jamie Cameron-Taylor. Each pitcher offered something different and had plenty of good moments on the hill

There was plenty of highlights throughout the year for our offence including Hamish's many triples, Sam's grand slam 4 batters into the game, and Jackson finally getting to use his oven mitt for a slide. Overall our hitting was some of the best team hitting I have seen in a while, we had all the weapons – hitting for average, power, speed, good hit/runs, couple of well executed bunts.

Defensively we hurt ourselves on a number of occasions but for the most part we were very solid in the field. It was easy to put together a line-up each week as each player had their position that they made their own. We also had a few players filling in from 4th grade on occasion and fit in seamlessly and didn't look out of place which was is a good sign.

Making the Grand Final was always our goal once the team chemistry had sorted itself out and we realised how good we could be. Unfortunately it was not our day which even included mother nature not wanting us to succeed. It was a little disappointing for the boys, especially Kevin and Scotty who were playing in their first grand final in a Newcastle competition after all their years in the major leagues. The team might look considerably different next season with some of the younger players working their way up the grades but we will be trying to go one better in 2023 and bring in another premiership.

Big congratulations go to Scott Anderson for taking home the 3rd Grade NBA MVP on Grand Final Day (even though he was in the doghouse)

Massive thanks need to go to the following people; Kerrie Metcalfe for scoring all season, Jason Picot for helping coach and his brief stint on the mound, and Ann Voigt for everything (head grounds person, running the Canteen, looking after uniforms, pretty much being at the field from sunrise to sunset each Sat/Sun all season)

2nd Grade Report

The team started the year with a core group of players from 2nd grade over the previous 2 interrupted seasons. The mood was extremely positive for a challenge into the finals this season. Previously we had struggled to get to Semi Finals despite a good team. We started positively with a win against a very competitive Toronto team that got the season off to a great start. Then the weather kicked in and we only managed 4 ½ games out of the first 14 rounds. This proved difficult to get any consistency with players, games and momentum into the season.

Once we got some consistency, we were able to string together enough wins to qualify for the Semi Finals.

The team was led consistently by Rowan Street on the mound which got us off to great starts. Unfortunately, a bit of inconsistency in both our late game hitting and closing pitching saw us give up a couple of games that would have seen us push further up the ladder and lock in a Semi Final spot sooner in the season. Rowan finished the season in 3rd spot for ERA (2.94) for the competition. A great reward for a season that had some ups and downs. This was rounded out by an exceptional outing for the Final in keeping the Toronto batters extremely quiet. Unfortunately, due to Pitch Counts we were not able to book our place in the Grand Final. An outstanding year for Rowan.

Our batting was led by Grant Harris and Jordi Gilfillan who both finished in the top 10 for 2nd grade. A late season hitting spree also saw Rowan Street contribute to our run production. With younger players like Dylan Bartlett and Thomas Karnaghan starting to find some consistency in Seniors they should be looking to step up in the future for the club.

To the core group of 13 players it was a very positive season despite the disruption that saw a number of lower grade players to fill the void.

Congratulations on a positive season and hope to see everyone back in 2023 for a full season schedule.

Congratulations to the 2nd Grade Award winners for 2022.

1st Grade Report

The year started almost as slow as the last 2 years. Numerous washouts saw the team play only about 4 games out of the first 14 rounds. This made it extremely difficult to get any momentum to get the season going. It took almost to the end of the season before we managed to string a couple of wins together. Unfortunately, this came too late to make a real threat to the Final spots.

Unavailability saw a number of lower grade players filling spots in games than desirable. We only had 9 regular players to fill our roster for the year with unavailability bringing inconsistency with our line ups. A concerted effort for availability and training will see more better results and improved performance next year.

Special mention goes to our Pitching Roster which at times felt a little short. Luke Kovac carried the bulk of our starts and was rewarded with a Start in the Senior A Country Championship final this year. Luke covered no less than 60% of our innings this year. He was assisted by Joel Pettigrew and Rowan Street.

Batting was inconsistent and outside of a short season stint from James McCallum (BA - 0.556) the next contributors were Mat Reeves, Jake Bramble and James Foster for our hitting.

Errors often proved critical and hurt us in key must win games during the season. A focus on this aspect of our game will put us in a competitive position for next year.

Whilst it was a disruptive season we should look forward as a club to a better season next year and to build on what we have been piecing together over the last three years. We have a number of younger players coming thru our grades that should start to improve our depth of players for the future.

70TH YEAR ANNIVERSARY

In 2023 we will be celebrating our 70th year as a club.

We will be looking to have a big anniversary dinner throughout the year.

Please stay posted for more information in early 2023.

THANK YOU

See you all back in
2023!
